THE MASTER'S WORD

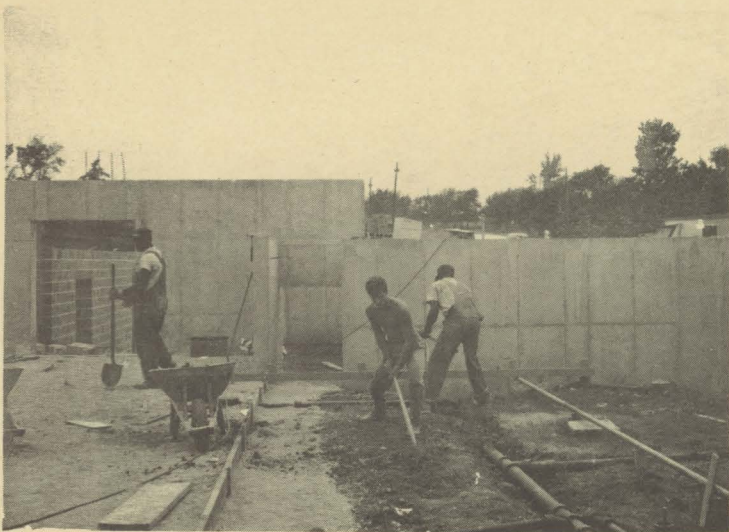

Behold, how good and how pleasant it is
for brethren to dwell together in unity.

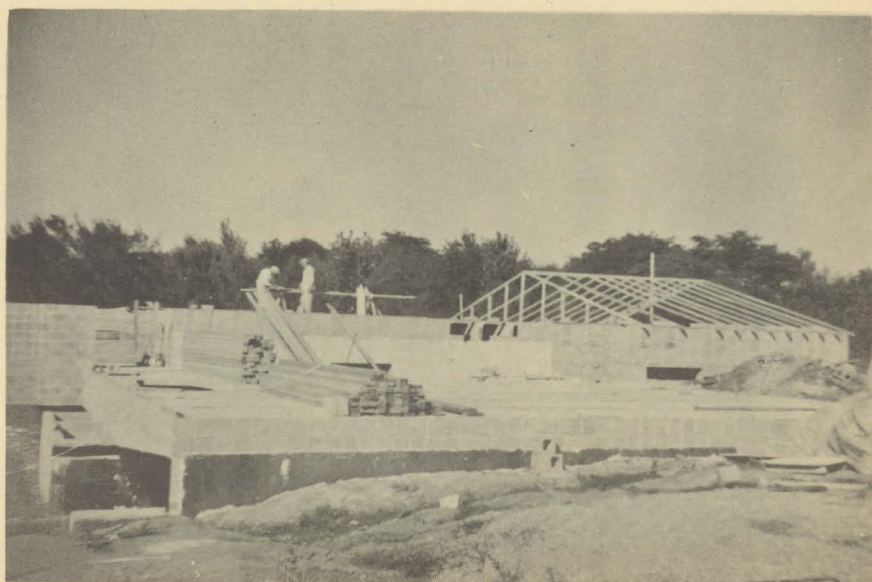

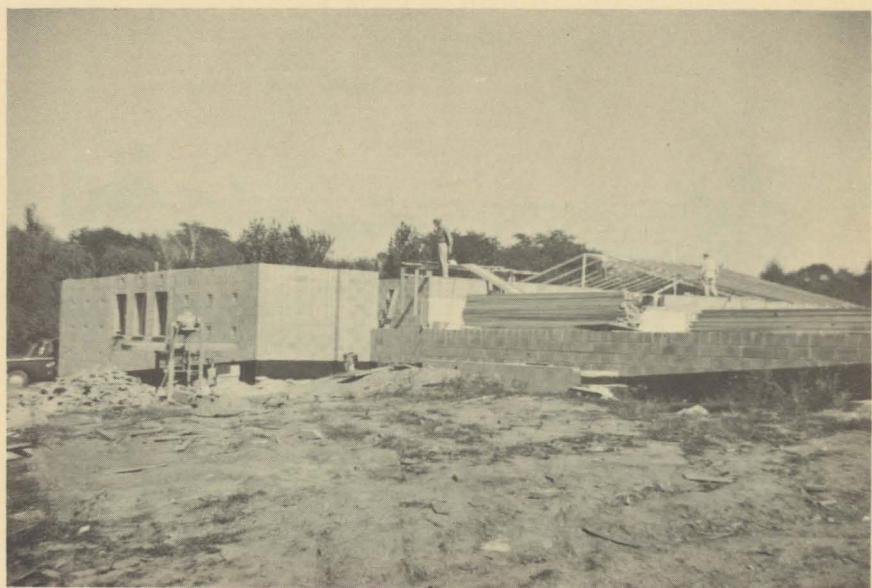

Clifford I. Carter

Worshipful Master

Brethren:

So much has happened since our last news, it is a bit difficult as to know where to start. The most important news however is that we are getting things done at the Temple and should be in a position to move into it within six weeks or possibly less. Plans have been necessarily changed from the original to the extent that we will be occupying the lower levels only for some time depending upon how fast the Temple Fund progresses. Photos in this news show that work is definitely being carried on and by the time this reaches you still more will be accomplished. Help is needed in almost any capacity and your help would be appreciated. Many members have already been out doing the various jobs needed to be done and many are helping to expedite our occupancy date. If you find that you can give a few hours of your time please get in touch with Brother Ray Hamilton, Hiland 4-9547. In spite of temporary set-backs, so to speak, SWOPE PARK will move ahead. Whether you can help or not do come out to the Temple Site, look around and see how the progress impresses you. This is YOUR TEMPLE too and we want you to lend your moral support and suggestions.

TODAY

We shall do so much in the years to come,
But what have we done today?
We shall give of our gold a princely sum,
But what did we give today?
We shall lift the heart and dry a tear;
We shall plant a hope in place of fear;
We shall speak the words of love and cheer,
But what did we speak today?
We shall be so kind in the afterwhile,
But what have we been today?
We shall bring to each lonely life a smile,
But what have we brought today?
And to steadfast faith a deeper worth;
We shall give truth a grander birth;
We shall feed the hungry souls of earth,
But whom have we fed today?
We shall reap such joys in the by and by,
But what have we sown today?
We shall build us mansions in the sky,
But what have we built today?
'Tis sweet in idle dreams to bask;
But, here and now, do we do our task?
Yes, this is the thing our souls must ask,
What have we done today?

How is this for a friend/ When VIRGIL THORPE
OF the U.S. SUPER MARKET at 95th and Blue Ridge
heard that Swope Park was building a new Temple,he
donated \$100.00 to the building fund and is now a
member of the CENTURY CLUB. Now wouldn't that make
you want to drop by and shake his hand,and buy a
few groceries while you're there. You'll need them
anyway/

We are proud of the many letters we receive from our out of town members and also those from in the city who do not get the opportunity to get to Lodge often. It is evidence of the desire to aid and support the Ramble Club activities and Swope Park Lodge. We do appreciate the letters fellows, so keep them coming!
