BRETHREN:

It has been quite some time since the last issue of The Rambler. We will not take time to give the reasons for the missing issues, but instead we will tell you that you will be receiving it again starting now. This issue will carry the news so many have waited long to hear. Swope Park Lodge has PAID OFF the mortgage on our new Temple.

Our President of the Building Association, Warder Shotwell, confides in us that there will be a cornerstone laying ceremony on November 9, 1968 on Saturday at 2:00 P.M. under the direction of Most Worshipful Martin B. Dickinson. Right Worshipful Brother Lewis C. (Wes) Cook will be the speaker for the event. Following this refreshments will be served and there will be a great time rejoicing in our good fortune. ~~You will receive an invitation~~ for the event from the ceremony committee.

Your Building Board's accomplishments in the past two years or even three years are terrific and here's a great big hand to them. Well Done Brethren!

So that many members who live out of town and have not seen your new Temple, The Rambler, in future issues will carry photos that you may see what YOUR moral support can accomplish. So that it "doesn't go without saying", to the out of town members, YOUR Lodge needs YOU the same as the ones who are here.

William E. Martin

Worshipful Master

How many of you remember the January, 1960 issue of THE RAMBLER? The front page of that issue is pictured on the front page of this issue. How so very much does it look like our present Temple? Your editor feels that this is a wonderful demonstration of the fact that if you want something good, and your mind, heart, and thoughts are turned toward that goal, along with your working to attain the same, it can be yours! If, in your heart you feel it can be accomplished, the Great Architect of the Universe provides a way. The Brethren of Swope Park Lodge HAD the FAITH necessary and worked hard toward the fulfillment of their ideas. The afore mentioned picture was issued in January, 1960. We moved into our New Temple in January, 1966. The mortgage has been paid off and will be placed in a copper box to be laid up inside a corner stone. Saturday, November 9th, 1968 at 2:00 P.M. Please try to attend and bring your family and friends.

HAVE YOU SENT FOR YOUR  
APPLICATION TO JOIN  
THE WELFARE AND BENEVOLENT  
ASSOCIATION? DO IT NOW!

**THESE ARE THE REGULAR MEETINGS OF THE ORGANIZATIONS THAT MEET IN THE SWOPE PARK TEMPLE. They earnestly solicit your attendance and support. Come out to the meetings – enjoy your organization and be a member instead of just some one on the roster!**
