The Swope Park Masonic Temple Bodies Quarterly Newsletter

Master's Trestle Board WB Ken Best Sr Worshipful Master

As Master, this will be my last article in the *Rambler* as my year is about to come to a close. I hope our Lodge has become closer with the Eastern Star chapters, the Job's Daughters, DeMolay Chapter and the Royal Arch Chapter – all members of the Swope Park Masonic Temple family who regularly meet here. My main objective was to bring back the family atmosphere in the Temple. Working and interacting together we can achieve greater success for each entity.

I congratulate Worshipful Brother **Gary Dryer** for his Lifetime achievement award from DeMolay. It demonstrates the commitment our lodge has to the youth groups meeting here – the William F Kuhn Chapter DeMolay, the Squires of the Round Table, the Job's Daughter Bethel Number 1 and the Jobies-to-Bee.

The lodge has done more ritual this year than in recent years bringing many new young men into the lodge.I hope they continue their journey and seek more Masonic Light by participating in the ritual, becoming active and attending Lodge. Perhaps their path will take them to the York or Scottish Rite or the Shrine and give them the opportunity of great friendships available there.

I must thank the line officers who helped make this year so successful and all the Past Masters whose council helped me so very much this year. We accomplished so much and it clearly shows what a good group of men can do with a little hard work. As we head into next year, I wish the next Master all the success in the world. I believe Swope Park Lodge is headed in a great direction in the coming years. I have never seen a better group of officers anywhere more committed to improving the lodge and making it better.

I hope some of the Brethren who have not been able to attend for various reasons and those who may have forgotten the words and signs will come back. They will be greeting with Brotherly love and assistance with the words and signs and will not be embarrassed or made to feel out of place. Brotherhood is always first and ritual second.

I want extend a special thank you to **WB Frank Chester** who not only coached me through my degrees but by quiet example showed me what being a Mason meant. (cont. page 6 column 3)

## **Swope Park Lodge Past Masters Luncheon**

(April 12). Swope Park Lodge held a Past Masters luncheon, a long standing tradition which has not been held over the last few years. The menu consisted of baked pork chops in mushroom gravy, creamy baked chicken, green beans, corn, honey carrots and desert all cooked by Connie Best wife of WB Ken Best, Master. Everyone commented on the fantastic meal.. In attendance, along with WM Ken and Connie Best, were WB Melvin Tacke, WB Larry and Pearl Cameron, WB Gary Dryer, JD Justin Dryer. WB Warren and Wanda Weston, WB Gus Egner, WB Tom Norman and Marsha Norman RWB Jack and Elnora Clark, Brother Al Beach, WB Bob Harman and DDGL Paul and Helen Miller All who attended has a great time with WB Harman sharing his stories about his experiences in the Philippines. A special thank you to Job's daughter's Bethel # 1 for setting up and serving the meal. All area past masters were invited.

## DEMOLAY HONORS WB GARY DRYER AT STATE CONCLAVE

(May 2008) At their annual Conclave, Missouri DeMolay honored WB Gary Dryer, PM, with Lifetime Achievement Award for his contribution not only to the William F. Kuhn Chapter, but to all DeMolay in the state. WB Gary exemplifies the commitment of all Swope Park Masons to the youth groups. The young men filled Swope Park Masonic temple foyar with their trophies! Shown above, are just a portion of what they brought home.

# SWOPE PARK CHAPTER NR 620 O. E. S.

Spring is always a busy time with the District Reception and friendship Nights. We had 73 in attendance at our Friendship Night in April. It was a wonderful night of greeting long time friends and making new friends. We were honored guests at the friendship Night of Golden Gate Chapter 58 and the Oak Grove Chapter 407. Swope Park had about twenty members at each of those meetings. The District reception followed the theme of "Buttons and Bows" with entertainment by a group that gave a fun "fashion show".

April was "Go to Church" Sunday. The Worthy Matron urged all to attend their own church but invited anyone who wished to come with her to the Beverly Hills Baptist Church with dinner at East gate Temple afterwards. In May she honored mothers and those who had been like a mother to young people. June was our month to honor fathers and Master Masons. We were pleased to have eleven of our brothers present.

Membership Information: Sister Lois Compton was recognized in the Masonic Home Magazine as volunteer of the month. The Charter was draped in memory of the following members who passed away: Sisters Rose Marie Butterworth, Patricia Chambers, Jane Dunham, Shirley Johnson and Margaret Chittenden. In addition, we draped the Charter for Sisters Betty Lee Egner PGM and Brother Leon Leirer PGP. We regret the loss of two members due to suspension and one demit. We now have 182 members in our chapter. Sister Rosalee Ely lost her apartment due to a fire in her building and Sister Patricia Wheat lost her home in a tornado that went though Gladstone Missouri. We rejoiced as we presented Sister Virginia Norton with her 50 year membership. A small group went to the Rehab Center to celebrate with her. Sister Shirley Sizemore also received her 50 year pin and recognition. Sister Marilu Herrick attended our May meeting and received her 25 year pin. We also gave her a donation to the Rainbow Center.

**Coming Events**: WE look forward to the months ahead and invite you to join with us. There is no meeting in July, however, on **July 15<sup>th</sup> at 2:PM** we will go visit our residents at the Masonic Home. Our members Sisters Delores Coffer and Marlyn Lineberry now reside at the Home.

#### NEWLY ELECTED SR WARDEN

(June 12) Brother Mike (Lou) Luellen was elected and installed Senior Warden for the duration of the year. Brother Lou holds multiple membership in Swope Park and Ivanhoe lodges. He was raised in Heroine lodge Nov. 2003 where he served as Senior Warden in 2006 prior to Heroine merging with Ivanhoe. Bro. Mike served in the US Air Force and is a Vietnam war veteran. He became a member of Swope Park lodge January 2007. He replaced Johnnie Nemec, who recently resigned after attending only one meeting this year. Brother Lou is High Priest of William F Kuhn Chapter 139, Royal Arch Masons. Our Worshipful Master, Ken Best, was vacationing back east and asked WB Mel Tacke to conduct the business of the lodge this evening. In addition to conducting the SW installation, WB Mel did an outstanding job as Master. It has been twenty years since he sat in the East, but WB Tacke ran the Lodge as smoothly as if he has been in the east all this time. The SW installation was officiated by RWB Larry Cameron and the Installing Marshal was WB Frank Chester.

## JOB'S DAUGHTERS BETHEL NR 1

**Beca Crocker Honor Queen** 

As my term ends, I want to thank everyone that made these past six months possible. It has been a true honor to serve as the first honor queen here at Swope Park Lodge, for Bethel # 1. With the help and support of all of the adults and Mason's I know that Bethel # 1 will continue to grow and make each of you proud of our youth organization. As you know Bethel #1 moved here on Nov.4, 2007. We had over 100 people attend the installation. The Eastern Star served our luncheon, as well as supported us in our activities. Since then we have served the monthly dinners at the Scottish rite, and had two dinners here at the lodge We also served breakfast to the Masons prior to one of their Saturday functions. We participated with the Veterans Christmas gifts, various CHIPS programs as well as representing our bethel at Mini Session, State Officers reception, Thanksgiving Ball, and we have attended other bethel meetings and installations. In May, we had our official visit, and Momma Goode was very pleased with our progress, as well as all of the support from the adults here at Swope Park. We just recently had our installation, the new HQ - Rhiannan Roberts and Sr. Princess - Cassandra Henderson will guide the bethel this next term. We are now getting ready to attend "Grand" in Jefferson City, so watch and see how well we do in our competitions. Big thanks to our Council members: Bethel Guardian, Mom Tonva Culver, Associate Guardian, Dad Garv Drver, Treasurer, Dad Ed Culver, Secretary, Mom Connie Best,

The world needs many men today; Red-blooded men along life's way, With cheerful smiles and helping hands, And with the faith that understands The beauty of the simple deed Which serves another's hour of need.

Strong men to stand beside the weak, Kind men to hear what others speak; True men to keep our country's laws And guard its honor and its cause; Men who bravely play life's game Nor ask rewards of gold or fame.

Teach me to do the best I can To help and cheer our fellow man; Teach me to lose my selfish need And glory in the larger deed Which smoothes the road and lights the day. For all who chance to come my way.

#### HOLY SAINTS JOHN

By history, custom, tradition and ritualistic requirements, the Craft holds dear the days of St. John the Baptist on June 24, and St. John the Evangelist on December 27. No satisfactory explanation has as yet been advanced to explain why operative Masons adopted two Christian saints, when St. Thomas, the patron of architecture and building, was available. The real explanation of Freemasonry's connection with the Sts. John is not to be found in the history of the Craft, but in the history of religions. For the festival days of the two Sts. John are as old as the ancient systems of worship of fire and sun. Travel backwards in imagination to an unknown date when the world of men was young; when the greatest manifestation of nature known to our ancient ancestors was the sun. It was always present during the day, and its near kin, fire, warmed and comforted them at night Under its gentle rays crops grew and rivers rose. The sun kept away

the wild beasts by its light. The sun made their lives possible. Sun worship and fire worship were as natural for men just struggling into understanding as the breath they drew. Early recognized facts must have been the sun's slow travel from north to south and back again as the seasons waxed and waned. And so mid summers day, the longest, became a festival; it was the harbinger Or harvest, the birthday of new life, as the winter solstice was significant of the end of the slow decline of the sun, the beginning of a new time of warmth and crop and happiness. Through countless years, in a thousand religious, cults, mysteries, in a hundred climes and lands, priests and people celebrated the solstices. So it was when Christianity came to the world. Old feasts and festival days were not lightly to be given up, even by those who put their faith upon a Cross. Hence clever men in the early days of Christianity turned the pagan festivals to Christian usage, and the old celebrations of summer and winter solstice became the Sts. Johns' Days of the Middle Ages. As the slow years passed, those who celebrated thought less and less of what the days really commemorated, and became more and more convinced of their new character. Today, hardly a Freemason gives a thought to the origin of St. John's Day in Winter, or knows his celebration of St. John's Day in midsummer preserves a touch with cavemen ancestors. It was a common custom in the middle Ages for craftsmen to place themselves under the protection of some saint of the church. All the London trades appear to have ranged themselves under the banner of some saint and if possible they chose one who bore fancied relation to their trades Thus the fishmongers adopted St. Peter; the drapers chose the Virgin Mary, mother of the 'Holy Lamb' or 'Fleece' as an emblem of that trade. The goldsmiths' patron was St.Dunstan, represented to have been a brother artisan. The merchant tailors, another branch of the draping business, marked their connection with it by selecting St. John the Baptist, who was the harbinger of the Holy Lamb' so adopted by the drapers. Eleven or more of the guilds had John the Baptist. To say with certainty why Freemasons adopted the two Sts. John, and continue to celebrate days as principal feasts is not known. But the fitness of these two is obvious in our system if we consider the spiritual suggestion of their lives. St. John the Baptist was a stern and just man; intolerant of sham, of pretense, of weakness; a man of strength and fire, uncompromising with evil or expediency, and yet withal courageous, humble, sincere, magnanimous. A character at once heroic and of rugged nobility, of him the Greatest of Teachers said: "Among them that are born of woman, there hath not arisen a greater than John the Baptist." Of St. John the Evangelist, the disciple whom Jesus loved, a thousand books have been written, and student has vied with minister, teacher with historian, to find words fitly to describe the character of the gentle writer of the Fourth Gospel. No attempt at rivalry will here be made; suffice it that St. John the Evangelist is recognized the world over as the apostle of love and light, the bringer of comfort to the grief-stricken, of courage to the weak, of help to the helpless, of strength to the falling. Freemasonry is wise in a gentle wisdom which passeth that in books when she takes for her on both the saint who foretold the coming and the saint who taught the law of the Son of Man who walked by Galilee. The question "From whence come you?" and the answer "From the Lodge of the Holy Sts. John at Jerusalem', has puzzled many. None have phrased the simple, explanation of the inner meaning of this with more beauty and clarity than Brother Joseph Fort Newton, he of the golden pen and the voice of music: "There is no historical evidence that either of the two Saints of the church were ever members of the Craft. But they were adopted as its patron Saints, after the manner of former times a good manner it is, too- and they have remained so in Christian lands. Lodges are dedicated to them, instead of to King Solomon, as formerly. "So, naturally, there came the idea, or ideal, of a sacred lodge in the Holy City presided over by the Saints John. No such lodge ever existed in fact, and yet it is not a fiction -it is an ideal, and without such ideals our life would be dim and drab. The thought back of the question and answer, then, is that we come from an ideal or Dream Lodge into this actual work-a-day world, where our ideals are to be tested". We do not know just when, or just how, Freemasonry adopted the Sts. John. Their days are the Christian adaption of pagan festivals of a time when man, knowing no better, worshipped the sun as the supreme God. So when we celebrate our festival days on June 24 and December 27, we walk step by step with ancient ancestors, worshipping as they worshipped, giving thanks as they did; they to the only god they knew for the glory of summer, the beginning of the period when days lengthened- we to the G.A.O.T.U., that our gentle Craft took for its own the austere but loving characters of two among the greatest of the saintly men who have taught of the Father of all

## Master Councilor Elect Danny Best.

These past few months have busy for all of us. We have busy with so many activities, helping out at the Scottish Rite, the Masonic home, as well as getting ready for Conclave, that we attended in May. Master Councilor Trevor Keller won the area 3 Speech contest held at Ivanhoe lodge, and was asked to advance to California to represent Missouri. We have continued to support our Squires "Manor", and as you continue to read, you will see how well they did at Conclave. We would like to thank OES for their donation and support in enabling our chapter to attend Conclave. As a chapter we didn't fair as well, but we are working on next year. We had our annual "Potato Bash" in March and did real well. Watch for future dinners and other activities this summer. We will be having our Installation on July 12, at 1:00 pm here at the lodge. Master Councilor elect -Danny Best. After the program, a Bar-B-Q, and home-made ice cream, as well as horseshoes, volleyball, croquet, hula hoop and limbo contest. EVERYONE invited, please bring your families, meet your youth groups and visit with the other Masonic families. Our meetings are the 1st & 3rd Thursday, at 7:00 pm we look forward to having you attend. Fraternally

## The Young Man Meditates

Masonry promised me nothing except opportunity for mental snd spiritual growth and the opportunity to be serviceable to God and man. I came of my own free will and accord as all men in all ages have done. I was received as all others have been received in ages past. I learned that Masonry is interested in the character of man in man as a thinking, feeling being. I learned that Masonry is not a religion in the sense that we think of the church but that it is a form of worship and the true ally of all religions. I found that one grows stronger in his own religion, whatever it may be, as the result of Masonry. I learned the real meaning of moral and spiritual teachings of charity, and that one's integrity of mind and soul is his most precious possession. All that I had learned before was enhanced by the manner in which Masonry teaches sublime lessons. About me I see brothers, some young in Masonry, others who have been Masons for many years. Toward all I feel a bond of friendship which is indescribable. To have the confidence of such a group of brothers, and to know that you are joined to them by immutable bonds, as you are to every Mason in the world is indeed a priceless privilege.

All of this I learned; and I learned as well, that to maintain and to perpetuate all I have received, I must give back my best to Masonry and to society.
