## THE MASTER'S WORD

Behold, how good and how pleasant it is  
for brethren to dwell together in unity.

HAROLD W. BAKER, Worshipful Master

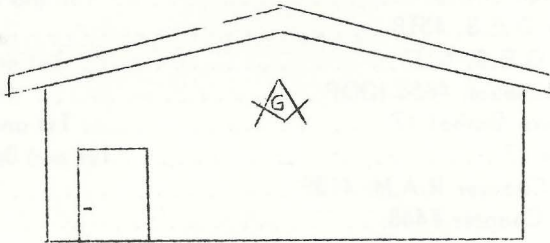

Brethren:

Here it is June 1966! The rental committee and your building board have been doing a terrific job of seeing that each night some organization is meeting in the Temple, along with doing the hundred and one things necessary to smoothly operate and expand the facilities of the Temple. We have one of the finest buildings in the Kansas City area. As we continue to grow in Masonic background, Knowledge, and yes in number of members we shall accept the fact that the privilege of being Freemasons carries with it our obligation to advance our Brotherhood, and that Swope Park Lodge WILL do its part in doing so. WE are PROUD of our Lodge and its members. We extend to Masons of other Lodges an invitation to visit with us.

How many of you remember the January 1960 issue of the Rambler? The front page of this issue is pictured on the opposite page. How so very much does it look like our present Temple? Your editor feels that this is a wonderful demonstration of the fact that if you want something good, and your mind, heart, and thoughts are turned toward a goal, along with your working to attain the same, it can be yours! If, in your heart you feel it can be accomplished, the Great Architect of the Universe provides a way. The brethren of Swope Park Lodge HAD the FAITH necessary and worked hard toward the fulfillment of their ideas. The afore mentioned picture was issued in January, 1960. We moved into our New Temple in January 1966.
