

# THE RAMBLER

SWOPE PARK MASONIC TEMPLE

8521 OLDHAM RD.

SEPT 1986

Brethern, this will be the last issue of the "Rambler" for this year. We have completed all the requirements for the Lodge to earn the Grand Lodge Achievement Award, thanks to an active group of officers. Our auction was very successful, your Senior Warden Mel Tacke was in charge of it. He did a very good job of organizing and running the auction.

Even though we have accomplished a lot this year, the year is far from over and we still have plans for more charity work. We also have many social events planned. In August we have a picnic planned to be held at Rich Wilson's parent's house located at Lake Lafayette (see directions). This will be held on August 16. The Lodge will provide hot dogs and buns. The rest will be pot luck. Everyone is invited to bring your ladies and family. The next event will be hamburger night. This will be held on a regular meeting night (Sep. 11). It will be for Masons only. This includes Entered Apprentices up. You don't need to bring anything except canned goods for the poor and yourself. We will have the meeting first, then we will go over to Don Matney's for the burgers. Please dress casually, the burgers will be served on Don's patio.

We have the 75th Anniversary dinner to be held on November 1. Everyone is invited but you MUST make reservations. This will be combined with Past Masters night. The Grand Master will be the honored guest and the speaker for the evening. Please check the Calendar for other events.

Brethern, I have enjoyed serving as your Master this year and I hope you have been pleased with me.

Steve Medlock  
Worshipful Master
